Dear Mr. Parsons:

Thank you very much for your letter of November 24, extending an invitation to meet with Messrs. Stephens, Austin, and Jenks on the 10th of December.

I am sure this will be a worthwhile session and I regret very much that another engagement will keep me from attending. I should like, however, if you have no objections, to send one of my senior people, [REDACTED] I will look forward with interest to getting the details of the meeting from him. STATINTL

I might mention that in previous meetings which our representatives have had with members of your delegation, we found them most cooperative and received from them a great deal of valuable information. I should like to take this opportunity to express my genuine appreciation to each member of the delegation.

With best wishes.

Sincerely,

SIGNED
